Look Ahead America Announces DOJ Protest for January 6th, 2024

Washington, D.C. – Look Ahead America (LAA) has secured all necessary permits to conduct a protest outside the Department of Justice in Washington DC at noon on Saturday, January 6th, 2024.

The protest will feature several special guests and LAA invites all incumbents and qualified candidates for Federal office to speak at the event. Please contact Julie Fischer at Julie.Fisher@LookAheadAmerica.org if interested.

Look Ahead America’s founder and executive director Matt Braynard made the following statement:

This protest is to send the message that patriotic Americans have not forgotten the continuing abuses and injustices suffered by our brothers and sisters at the hands of the DOJ and FBI following their peaceful participation in Capitol protests three years ago.

We will again raise our voices to tell the DOJ, the FBI, the Biden Administration, and the country that we demand pardons, clemency, and leniency for our fellow Americans who’ve been persecuted not for their actions but for their political beliefs.

The protest will take place outside the Department of Justice at 950 Pennsylvania Ave NW, Washington on Saturday, January 6th, 2024 at noon.
