## **LAA Finds Nearly 4 in 5 NCOA Permanently Moved Active Voters Are Ineligible to Vote in Arizona**

Washington, DC – Look Ahead America released a report today on the 55,015 active voters in Arizona’s voter database whom the US Postal Service determined to have permanently moved out of state at least 60 days before the 2022 General Election.

Using a random sample from these 55,015 active voters, we conducted a supplemental analysis to further confirm or deny the voters’ eligibility to vote in the upcoming election.

**LAA found additional information beyond the USPS designation that confirmed 79.6% are not eligible to vote in Arizona’s 2022 General Election.**

Look Ahead America invites activists to participate in an audit of the voter audit of nine states (Arizona, Florida, Georgia, Nevada, North Carolina, Ohio, Pennsylvania, Virginia and Wisconsin) by signing up at <https://lookaheadamerica.org/challengeinfo/>.
