## Look Ahead America Announces Virginia Postcard Project

Washington, D.C. – Look Ahead America (LAA) has announced the Virginia Postcard Project in association with sister group Virginia Voter Assistance.

Matt Braynard, LAA’s Executive Director and Founder, commented:

This year’s state elections in Virginia are very important, but many disaffected patriotic Virginians don’t know there’s an election, may not know what’s at stake, or may not be aware of their options for voting.

By visiting [LookAheadAmerica.org/postcards](https://LookAheadAmerica.org/postcards), we will provide you with the addresses of TEN disaffected rural and blue-collar patriots in Virginia whom we’re asking you to send a postcard telling them how important it is that they vote early, by mail, or on Election Day at [VirginiaVoterAssistance.org](https://VirginiaVoterAssistance.org).

It’s a great chance to show off the beauty of your part of the world and to encourage others to do their civic duty and VOTE!
