Look Ahead America: Gov. Youngkin Leads on Election Integrity

Washington, D.C. – Look Ahead America’s Executive Director Matt Braynard made the following statement regarding the Youngkin Administration’s announcement of new voter list hygiene measures:

We applaud Gov. Youngkin’s leadership on the vital issue of securing our elections. The decision to abandon the far-left ERIC system is a wise first step many states have taken, but it cannot be the last step. Gov. Youngkin has now set the example for other states to follow by implementing robust voter list hygiene policies that ensure only legitimate voters can cast ballots, limiting the potential for fraud, and restoring the public’s confidence in the outcome of elections.
