Re: Cross-State Voter Participation Report – ERIC

Yuma County received a list of voters from ERIC, Electronic Registration Information Center, who potentially committed voter fraud by voting in Yuma County as well as other states.

The initial review was to confirm whether our office believed these to be matches with the other state. If the voter was a potential match, the SOS set up a calendar system to allow both states to put in their availability for a meeting.

Phase one we had three voters who matched in two different states, RI and WI.

The first meeting was held at 9am on November 29, 2021 with Rhode Island. In this meeting, Rhode Island had two main correspondents, Miguel Nunez and Jennifer Regen from the RI Board of Elections.

Voter in question is Marcy M. Finnas, [REDACTED] Notes from the initial review:

- Voter [REDACTED] voted in person on 10/27/2020 at the Yuma County Recorder's Office during early voting. According to spreadsheet, voter voted by mail in RI. Voter did not have an Arizona DL at the time of registration making voter a fed voter. HAVA checks were re-ran in November of 2020, HAVA checked acquired AZ DL. Voter is now a full ballot voter. Voter is now currently inactive in RI
- Marcy M. Finnas's voted in person on 10/27/20 using a paper ballot. Ballot was accepted in Batch ID "PAPER BALLOT"; Ballot ID [REDACTED]

During the meeting, both Yuma County and RI agreed this is likely a match due to matching signatures, DOB, SSN4.

Below is the supporting documents from RI.

The second meeting was held with Wisconsin on November 29, 2021 at 2:30pm. Wisconsin Election staff member, Jodi Vitcenda, confirmed Jennifer Marie Bolen [REDACTED] and Logan Cole Farrar [REDACTED] both voted in Yuma County and in Wisconsin. During the meeting, it was agreed signatures, SSN4, DOB all matched. Along with supporting information from ballot request and ballot by mail affidavits.

Notes from Jennifer Bolen's initial review:

- Voter [REDACTED] voted a Yuma County ballot by mail, ballot [REDACTED] was accepted on 11/03/2020. Yuma County ballot was mailed to address [REDACTED] on 10/22/2020. Voter requested ballot via phone call.

Narrative:

Case Background

Jennifer BOLEN voted two times in the November 3rd, 2020 general election by completing a Wisconsin voter registration application on 11-03-2020 and writing her personal information on it to include the last four numbers of her social security number of "8139". Jennifer BOLEN also requested a mail in ballot from Arizona, by calling the Yuma County Recorder's Office, that was sent to her address in Wisconsin of [REDACTED], [REDACTED]. The Arizona ballot was requested on 10-22-2020, sent on 10-22-2020 and received back on 11-03-2020. The ballot number is [REDACTED], Ballot ID is [REDACTED] from batch ID [REDACTED].

All of the case numbers taken with this investigation are as follows: 2022-22045, 22046, 22048, 22050, 22051, 22053, 22055, 22056, 22057, 22058, 27859, 27860, 27861, 27862, 27863, 27864, 49812.

Investigation

On 05-11-2022, at approximately 1620 hours, I attempted to make contact with Jennifer BOLEN at her last listed and known address in Yuma, Arizona. The address is listed as [REDACTED]. I knocked on the door several times and although a canine could be heard inside barking, no one answered the door. Additionally the vehicle parked in the spot for space [REDACTED] is registered to a much younger male subject that did not appear to have any affiliations with Mrs. BOLEN.

On 06-14-2022 I reviewed the documents provided by the Yuma County Recorder's Office and found that Mrs. BOLEN called and requested a mail in ballot to which one was

mailed to her in Wisconsin. It was returned and accepted on or about 11-03-2020. Mrs. BOLEN then allegedly voted in Wisconsin on or about the same time.

Currently the Arizona ballot envelopes, from the 2020 general elections, are locked in the vault at the Yuma County Treasurer's Office and a court order is required to access them for signature comparisons.

On 06-21-2022 a search warrant was drafted for the ballot envelope at the Yuma County Treasurers Office and signed by Judge Mark Wayne REEVES. On 06-22-2022 the search warrant was served and the ballot envelope was obtained. Copies of the signatures provided by the Yuma County Recorder's Office were sent with the ballot envelopes to the Arizona Department of Public Safety Crime Laboratory for analysis and comparison. I am currently awaiting the results. On 06-23-2022 the search warrant was returned to Judge Kathryn STOCKING-TATE.

No further information available at this time.
Case closed by arrest / forwarded for review

None.

Narrative:

On 06-29-2022, at approximately 1140 hours, I contacted Mrs. Jennifer BOLEN via the phone number that was provided to me of [REDACTED]. The number has been disconnected with no further information.

I sent a request for information to the Wausau Police Department in Wausau, Wisconsin in an attempt to locate Jennifer BOLEN and obtain good contact information for her.

On 06-30-2022 I was advised by Sheriff's Dispatch that the Wausau Police Department had responded with information. I found that Jennifer BOLEN had moved to Kaukauna, Wisconsin with an address of [REDACTED]. The Kaukauna Police Department attempted contact at the address provided, however, she was not home at that time. A phone number of [REDACTED] was given to me.

On 07-05-2022, at approximately 0800 hours, I called the phone number provided two times and found that it was disconnected. At this point I have exhausted any means of locating Mrs. BOLEN for an interview.

At this time I will await the return of the signature analysis from the Arizona Department of Public Safety Crime Lab.
