Lindell vs. DVS

I'd like to file the lawsuits in all 50 states [against the voting machines] I didn't come all this way not to succeed. We've got to get rid of them all. - Mike Lindell

In May 2022, the federal court dismissed all the claims by Lindell and MyPillow against Dominion, Smartmatic, their lawyers, and public relations firm. The court also ruled that Lindell and MyPillow would be liable to Smartmatic for attorney's fees in an amount to be determined for making claims that were frivolous under Rule 11.
