According to LAA's NCOA data, Mary moved from Wisconsin to Illinois in May 2018. Additionally, her phone number uses an Illinois area code. Her Wisconsin mailing address on the record goes to Chicago, Illinois, which she and her husband also own:

A Wisconsin court case from 2010 in a lawsuit against a company owned by her and her husband shows the address in Winnetka, Illinois

She is not registered to vote in Illinois, but the address is a residence where she registered AbsoluteProof, LLC: <https://ova.elections.il.gov/RegistrationLookupResult.aspx>

Though she is registered to vote in Wisconsin, she voted in person (absentee) on 10/30/2020 in Lake Geneva, WI unlike in previous years. She and her husband Gregg own the Wisconsin residential address, however, the NCOA change and all above data suggest they live in Illinois:

Even Joe Hoft of *The Gateway Pundit* wrote: "The segment with Fanning was lacking. We shared an article where we discussed a man by the name of Dennis Montgomery who Fanning claimed provided her the information shared in 'Ultimate Truth'. The data presented by Fanning was garbage. Dennis Montgomery has a long history of fraud and deceit."
