Anti-Dominion Work by LAA

LAA sent two letters to Dominion Voting Systems in 2021 after they threatened Matt Braynard: <https://LookAheadAmerica.org/dominionresponse/> , <https://LookAheadAmerica.org/dominion2/>

Meanwhile, LAA requested that Stark County, OH Elections Board and Commissioners reject the purchase of “black box” voting equipment: <https://LookAheadAmerica.org/stark/>

Stark County Commissioners rejected the purchase: <https://LookAheadAmerica.org/stark2/>

LAA sued the Stark County Elections Board, Commissioners, and Dominion for purchasing and overriding the Commissioners. Currently on appeal: <https://LookAheadAmerica.org/starksuit/>

LAA stopped Louisiana from purchasing \$110 million in new voting equipment in 2021, it still hasn't bought any: <https://lailuminator.com/2022/11/11/louisiana-elections-secure-but-voting-machines-still-vulnerable/>

This happened despite their legislators doing all they can to sabotage it with SB 221: <https://lookaheadamerica.org/sb221/>

Denise Bolognese helped NJ State Senator Joe Pennacchio write legislation and introduce it regarding open source voting equipment in 2021: <https://legiscan.com/NJ/text/S4162/2020> & https://LookAheadAmerica.org/victory_flganj/

LAA's six public policy objectives regarding election integrity: <https://lookaheadamerica.org/integrity/>
